IBO PLAYER doesn't sell playlists or subscriptions

IBO PLAYER is a General Media Player and it doesn't include any content or playlists

B. Android & FireTV Device Installation using Downloader

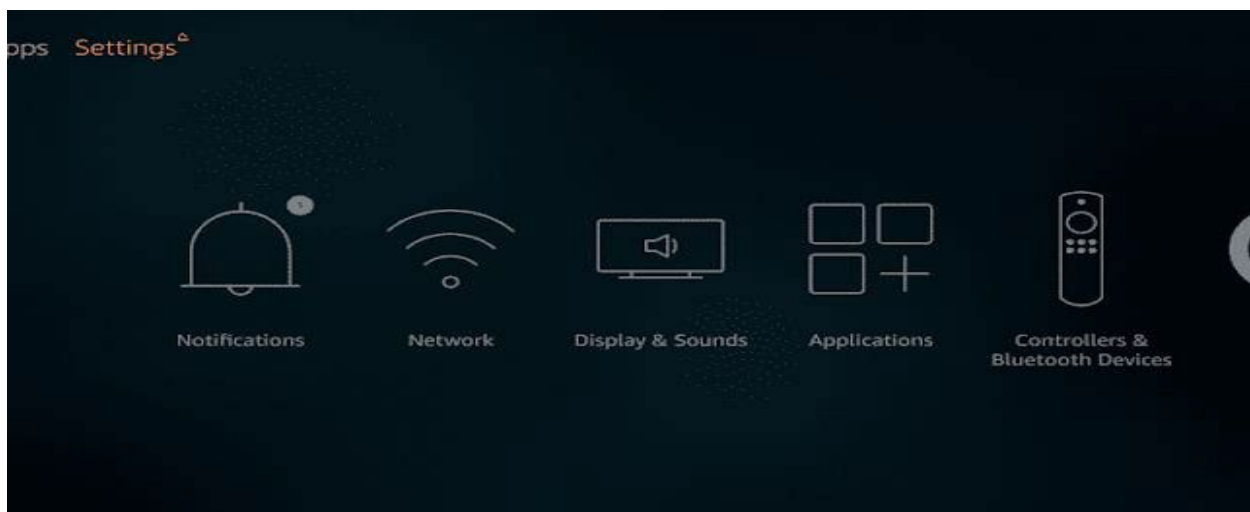

To install Apk's or any other apps on FireTV/ Stick, you need to complete the following 3 steps below including:

1. Turn On Unknown Sources (To allow installing a 3rd party app)
2. Download & Install Downloader app
3. Using the Downloader app to ***sideload & install the desired APK.***

#1. Steps to Turn On Unknown Sources feature on Fire TV

By default, Fire TV does not accept 3rd party apps that are not supported by the Amazon AppStore. **The provided APK's** are third party applications, which requires you to turn on Unknown Sources to allow your device to install one or more third-party apps. If you have done this step you can scroll down to continue reading our install guide.

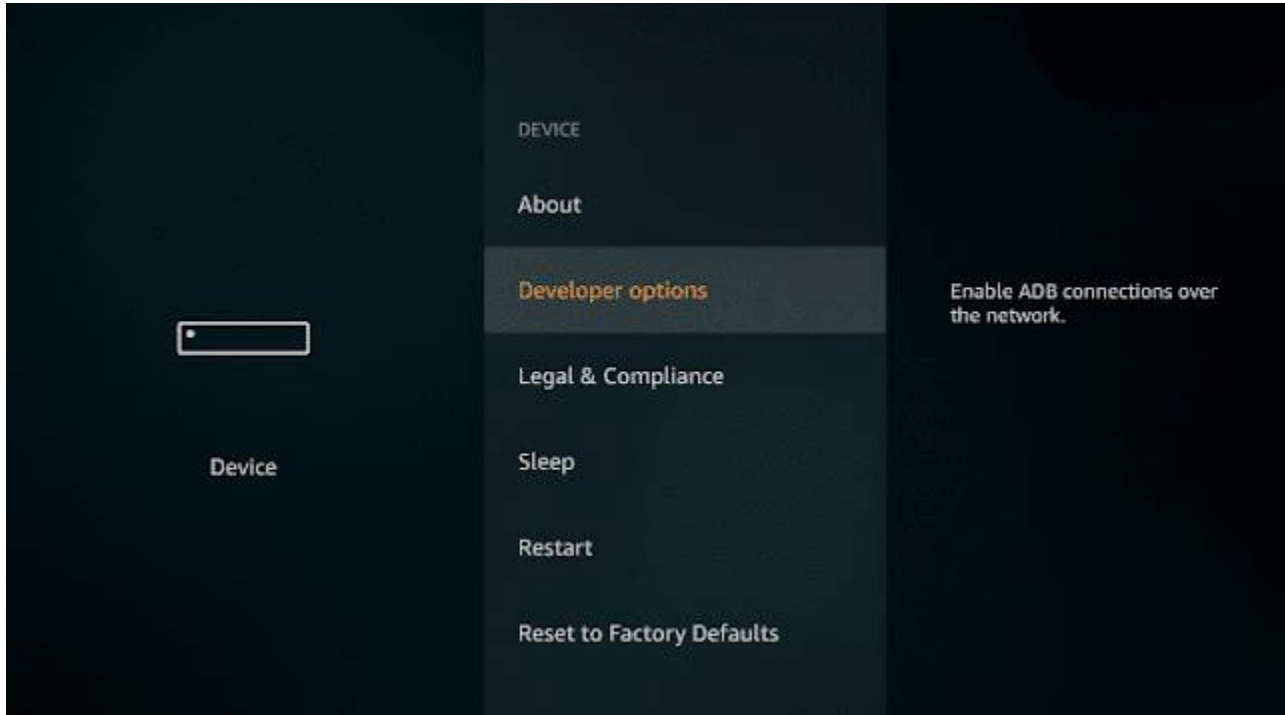

1. From the Main menu, scroll to hover over **Settings**

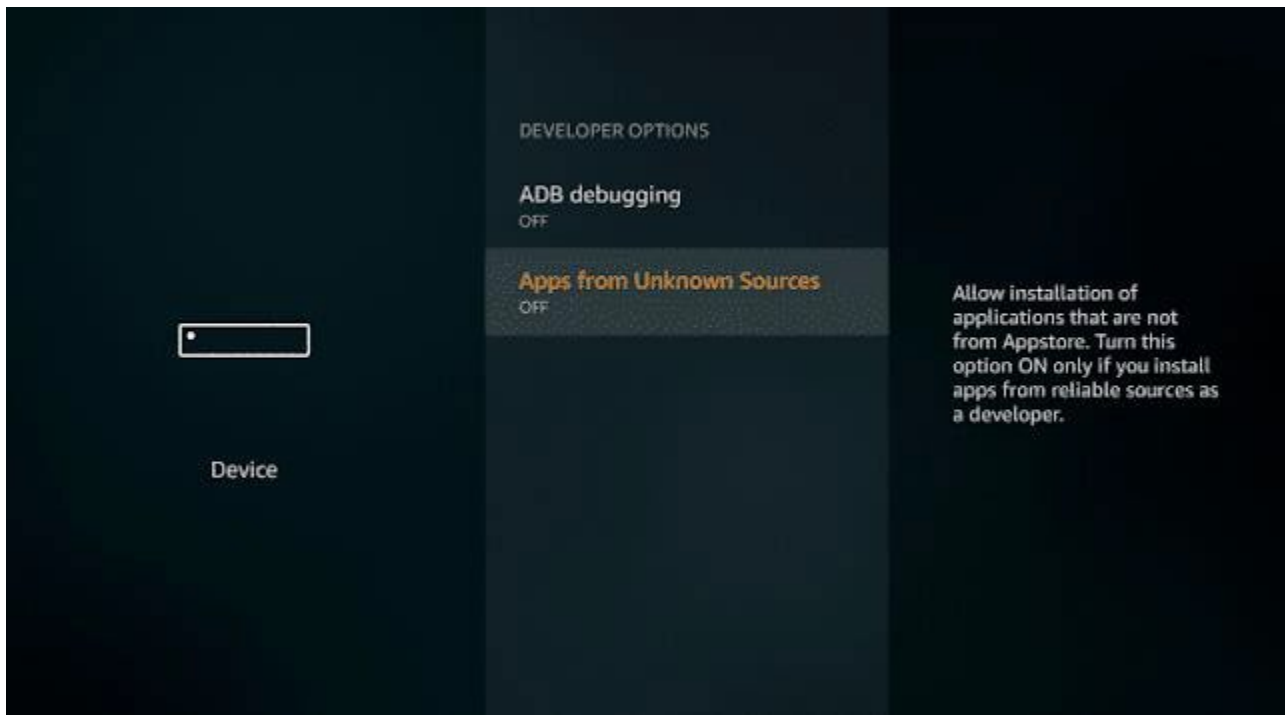

2. In the Settings menu, continue select **My Fire TV**

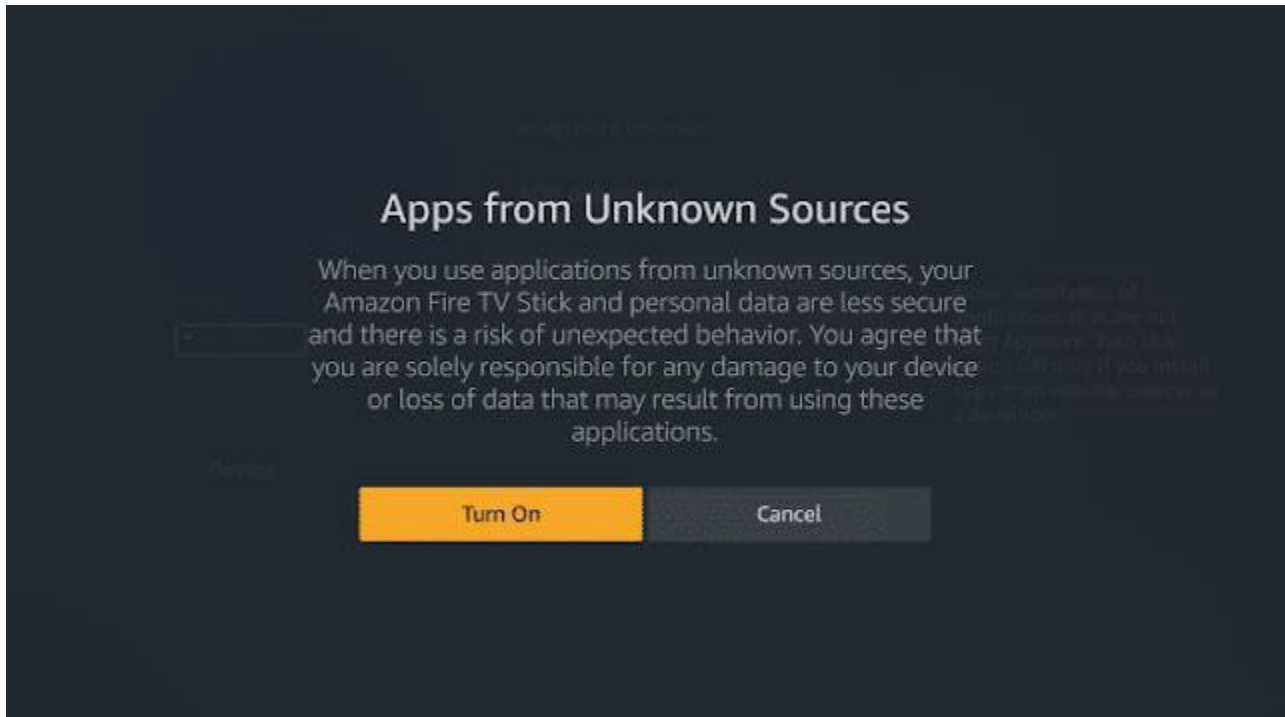

3. Continue select **Developer options**

4. Select **Apps from Unknown Sources**

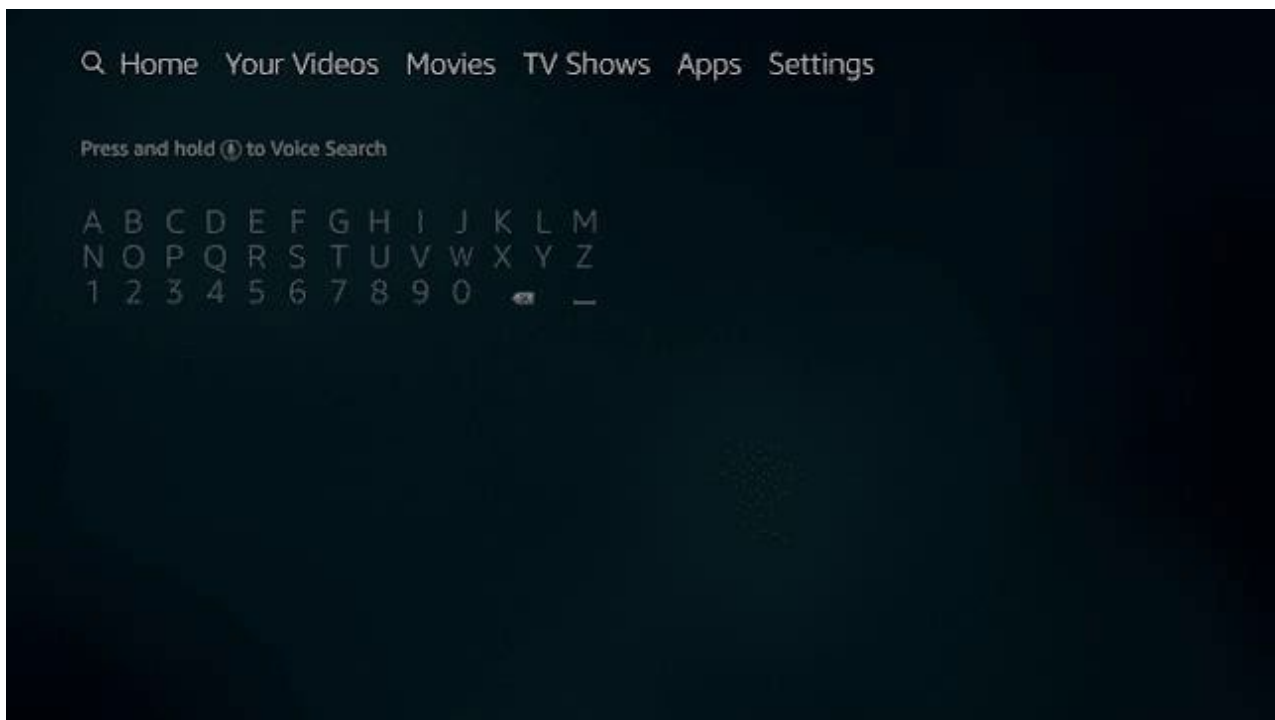

5. Click **Turn On** button

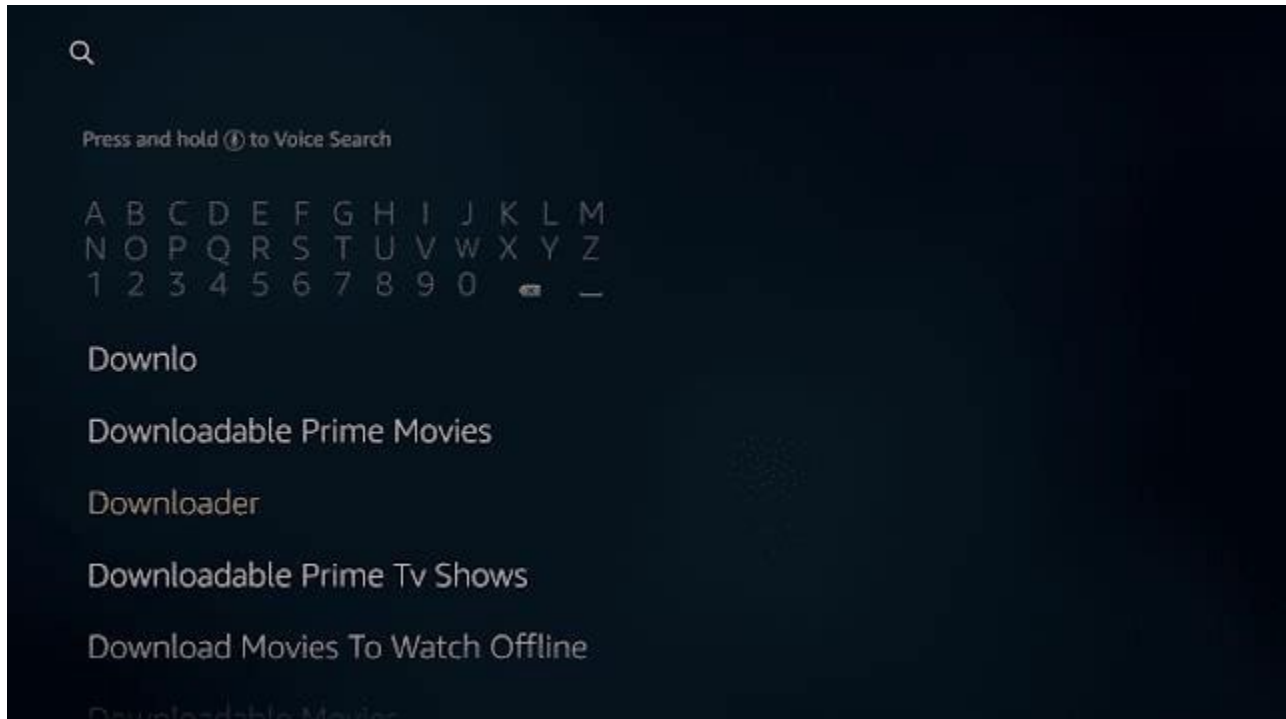

OK, you have finished all steps to **Turn On Unknown Sources** feature on your Fire TV. You can now install any 3rd party streaming apps on your devices.

#2. Steps to Download & Install Downloader app on Fire TV/Stick

6. Now, you need return to the home screen and hover over the **Search Icon**

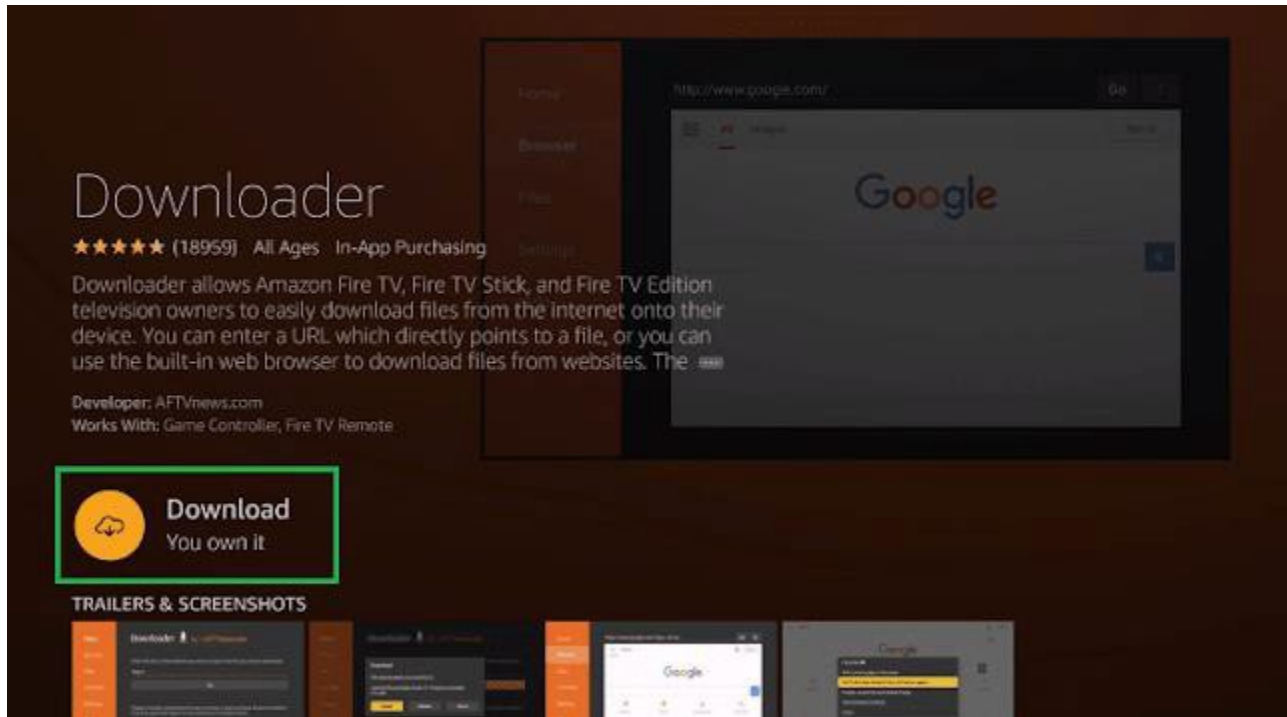

7. In the Search box, Type in **Downloader** and click “**Downloader**” which will appear under the keyboard

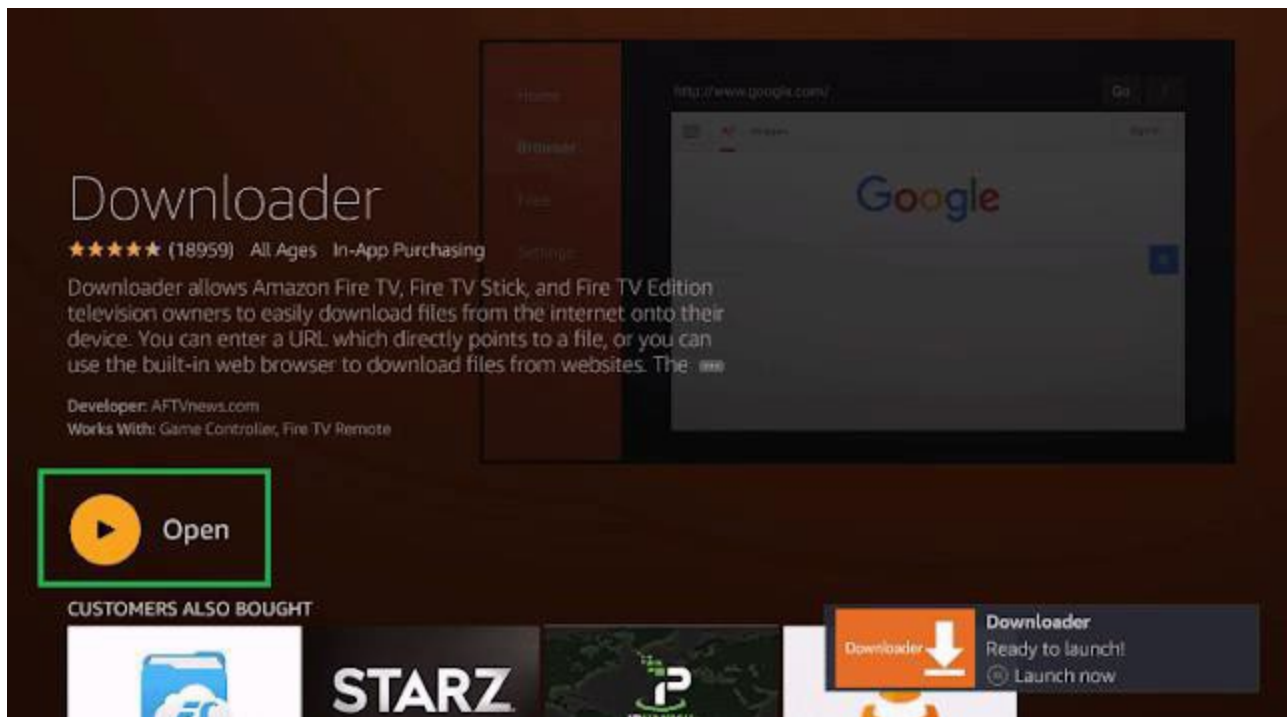

8. Select the **Downloader app** like as this picture below

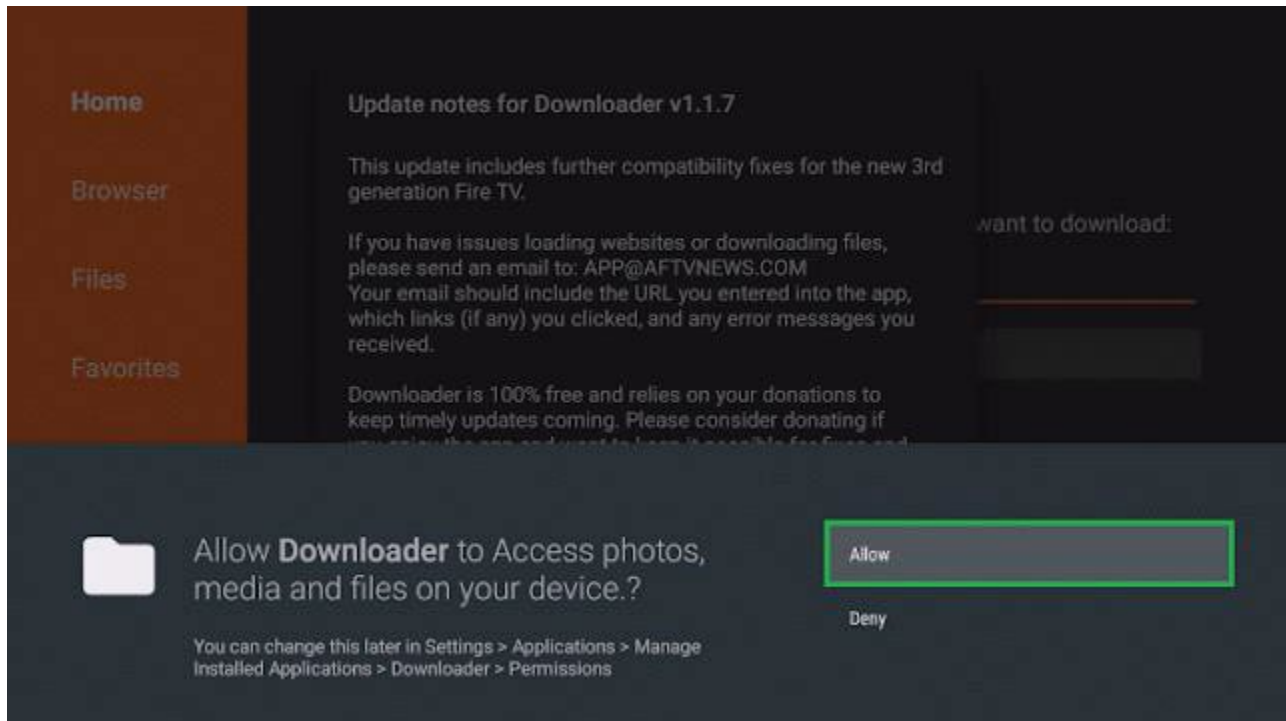

9. Click on the **Download** button

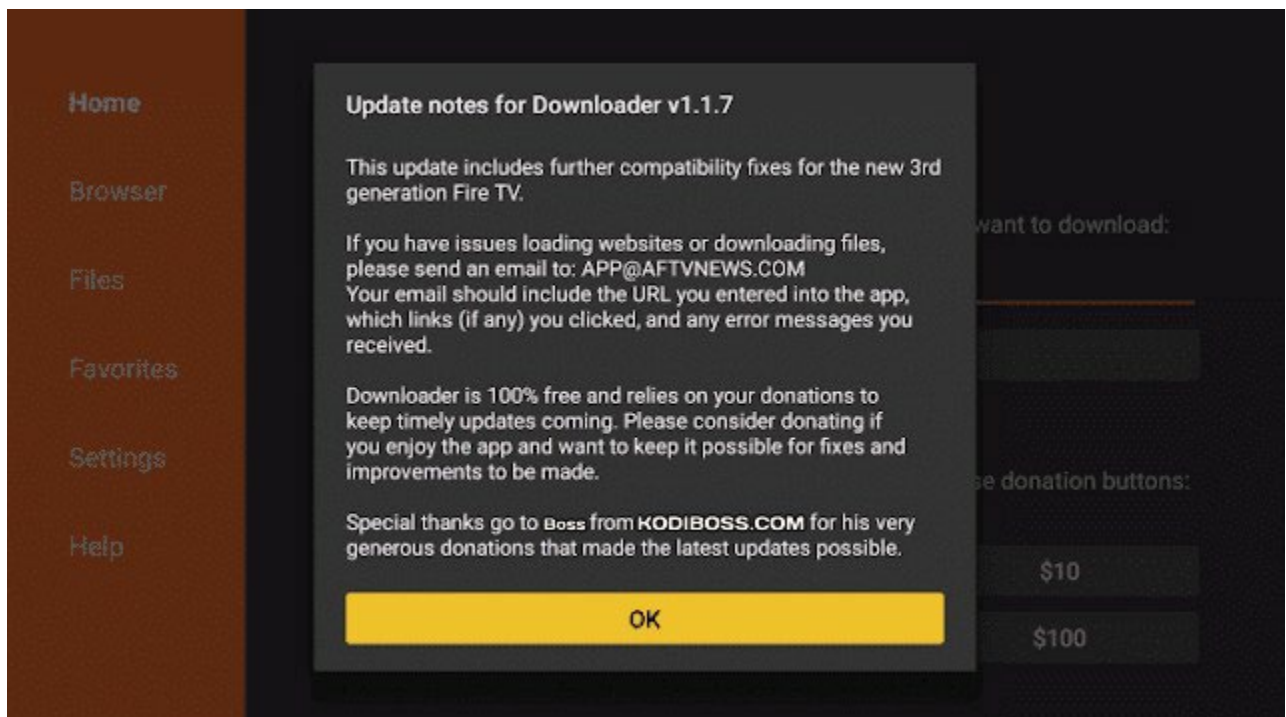

10. Click the **Open** button

11. Continue click **Allow** button

12. Then click **OK**

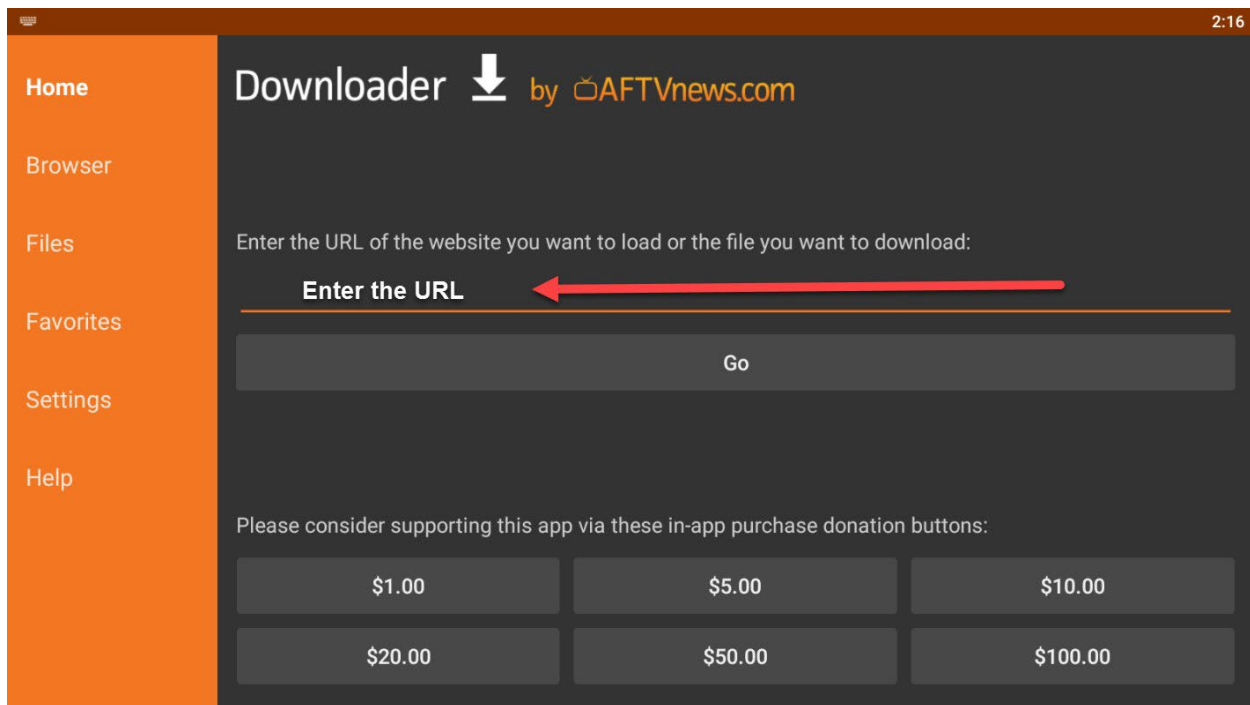

Done: Downloader app has been installed success on your devices & ready to use.

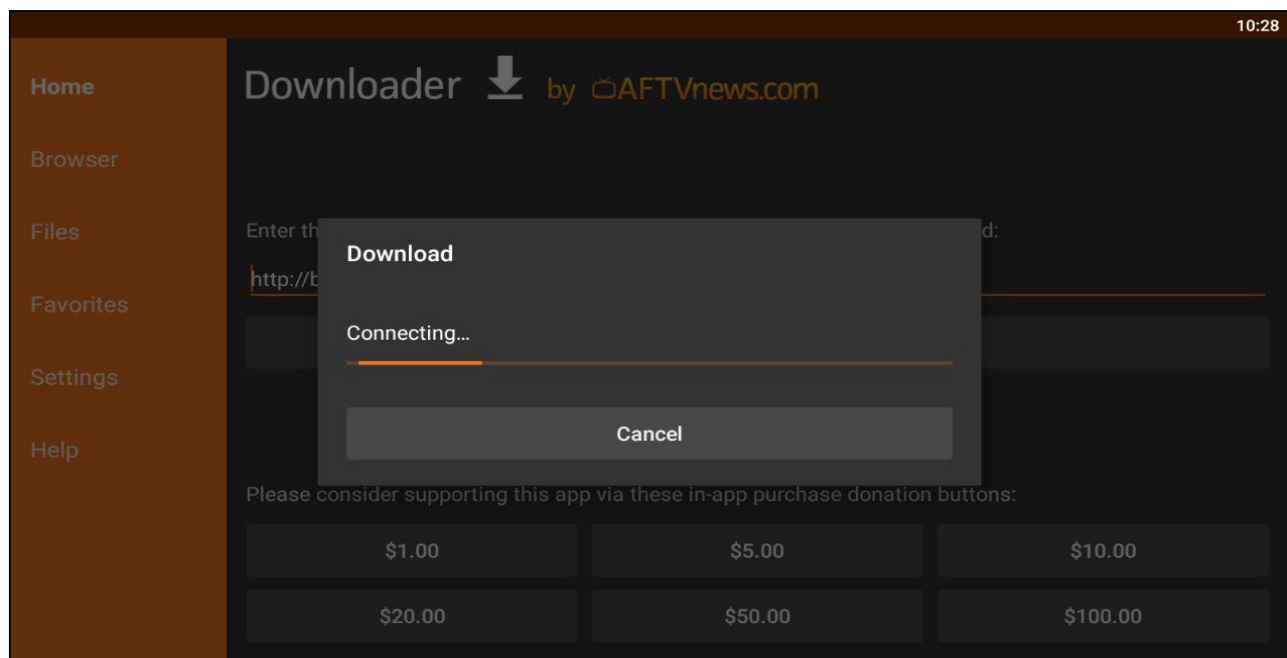

#3. Steps to Download and Install the Apk by using Downloader

12. Open the Downloader app & enter the desired URL for the app you would like to install.

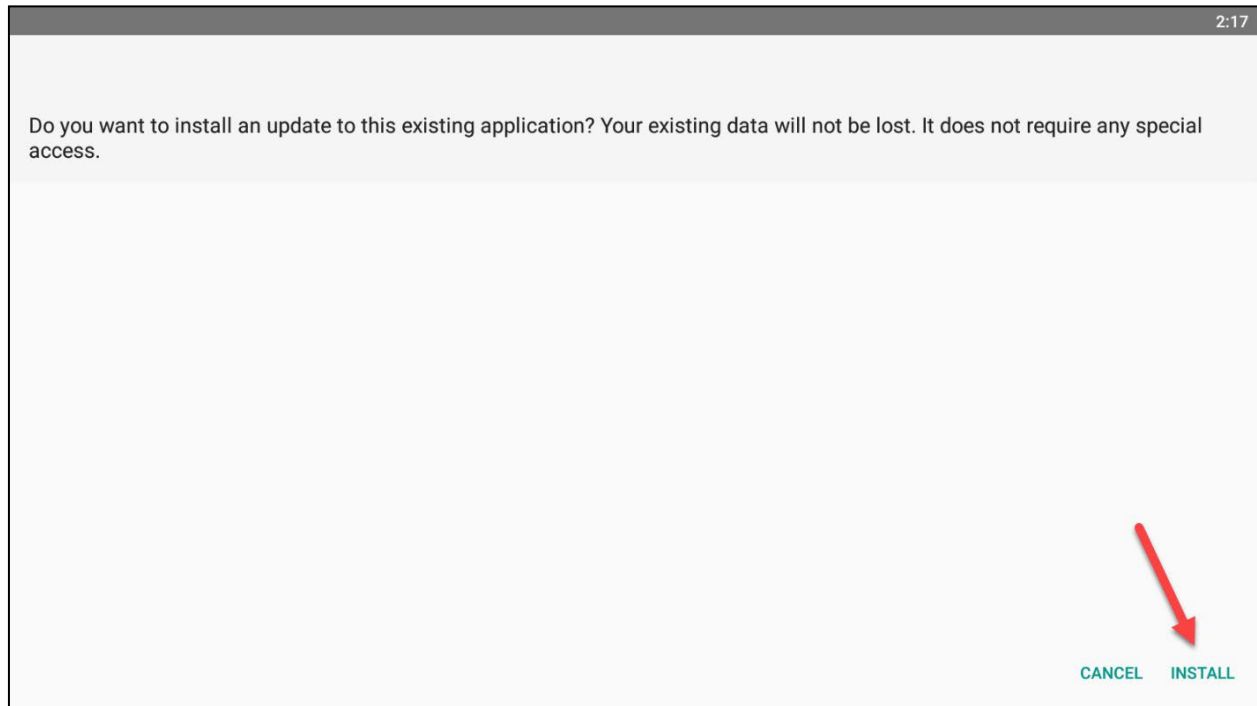

- A. https://bit.ly/kass_apk
- B. <https://bit.ly/KassSports-apk>
- C. <https://bit.ly/IBOV1-apk>

13. At this time, this will start connecting to the server, and then you see the download progress. It is because the link given above is direct.

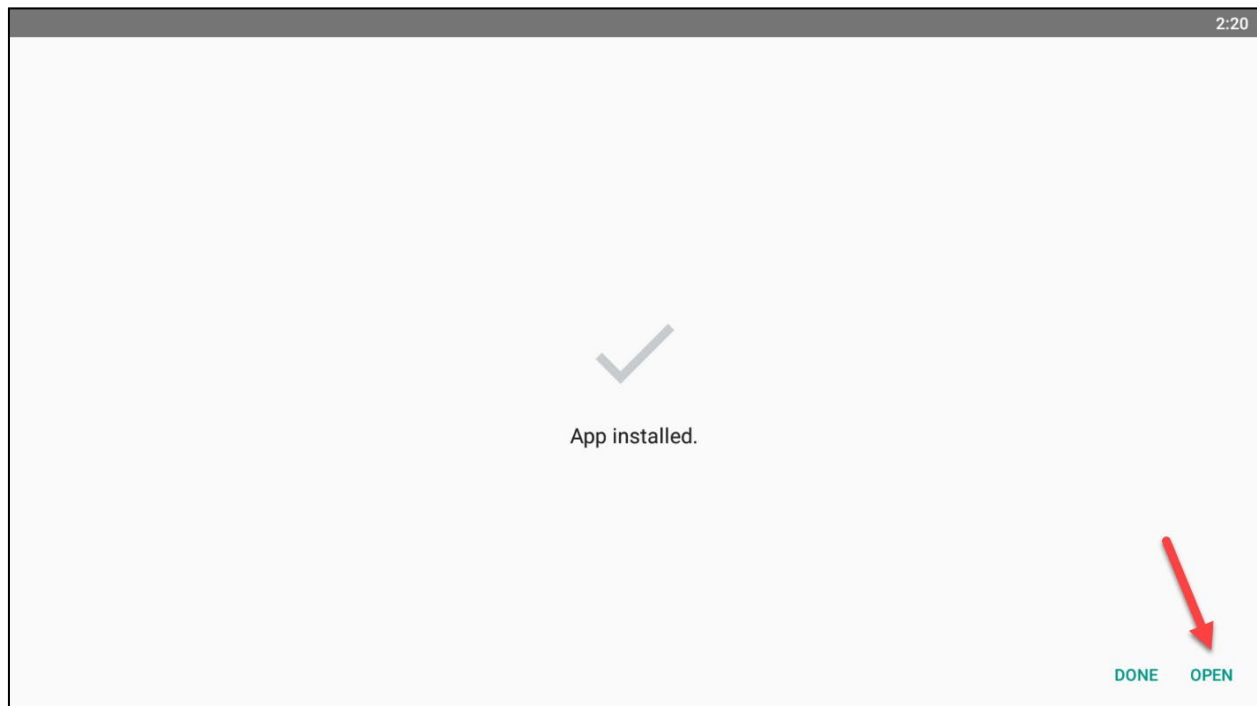

14. Click the installation button to continue the installation.

14. Click the open button to start the application. Enter the provided username and Password.

NOTE: To Complete the IBO Player installation, please go to step 15.

15. The “Device ID” and “Device Key” are essential to the activation of IBO Player. Email your device ID and device key to the following email address for activation: support@mail.topebastreams.ladesk.com or you may start a chat support session at www.monstermode.net a technician will activate.

NOTE: Close the application after providing the device ID and device key.
